

19 DEC 2018

Dear 

Thank you for your email of 23 November 2018 to the Ministry of Education requesting the following information:

- *Data for the 2017 calendar year, January to December, for the annual total of the voluntary donations component of school fees received by each school in New Zealand.*

Your request has been considered under the Official Information Act 1982 (the Act).

We fund schools to provide free education. The right to free enrolment and free education means that boards of trustees may not charge a fee for enrolment or attendance of domestic students. We also provide transport and boarding subsidies to many students to reduce the cost of access to free education.

Schools may charge parents for items or activities that enhance and are additional to the curriculum delivery, but only if parents have agreed to the charges.

School donations come from a range of sources including businesses, community groups, alumni and parents. If a school requests a donation from parents, the payment is voluntary and may be paid in full, in part, or not at all. Boards of trustees cannot enforce payment of donations and they must not be described as *fees, charges, or levies*. The amount requested in donations varies from school to school. On average, donations make up just 1.8 per cent of revenue that schools receive each year.

We have attached as **Appendix A**, a complete list of donations received by each state and state-integrated school in New Zealand for the 2017 year. The data provided represents donations received by schools from all sources, including parents, but excludes the proceeds of fundraising activities.

Please note, the donations figures we have provided may differ from other publicly available records or information requests. This is because we are constantly updating our records as schools submit their audited financial accounts. The data we have provided in this response was extracted on 6 December 2018 from the Financial Information Database for Schools (FIDS).

**Appendix A** only includes state and state-integrated schools who have reported receiving donations within the donations line of their financial statements for the 2017 financial year.

You can find further information about school donations on the Ministry's website here:

<http://www.education.govt.nz/school/running-a-school/school-finances/accounting-for-donations-fundraising-and-other-income/>

and in the 2017 *Ngā Kura o Aotearoa: New Zealand Schools* report here:

[https://www.educationcounts.govt.nz/data/assets/pdf\\_file/0005/188078/NZ-Schools-2017.pdf](https://www.educationcounts.govt.nz/data/assets/pdf_file/0005/188078/NZ-Schools-2017.pdf)

Please note, the Ministry now proactively publishes OIA responses on our website. As such we may publish this response on our website after five working days. Your name and contact details will be removed.

Thank you again for your email. If you are unsatisfied with my response, you have the right to ask an Ombudsman to review it. You can do this by writing to [info@ombudsman.parliament.nz](mailto:info@ombudsman.parliament.nz) or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely

Katrina Casey  
**Deputy Secretary**  
**Sector Enablement and Support**
