Introduction

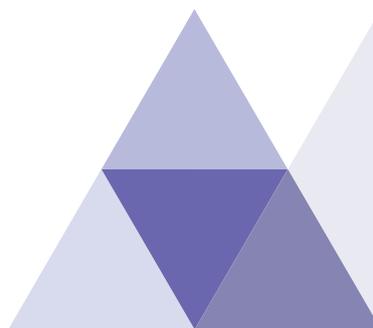

This booklet contains the *Licensing Criteria for Hospital-based Education and Care Services 2008*, and the *Early Childhood Education Curriculum Framework* (on the inside back cover). These two documents form part of the regulatory framework for Early Childhood Education (ECE).

The licensing criteria are deemed regulations prescribed by the Minister of Education. The criteria are used by the Secretary for Education to assess compliance with regulated standards of education and care.

There are no criteria associated with the *Qualifications, ratios, and service size standard*, as compliance with this standard is linked to schedules contained in the *Education (Early Childhood Services) Regulations 2008*.

ECE services must meet the licensing criteria as well as the other regulatory requirements contained in the regulations in order to gain and maintain a licence to operate. The criteria should therefore be read in conjunction with the *Education (Early Childhood Services) Regulations 2008*.

The curriculum framework is prescribed by the Minister of Education. It formalises Government's expectations and guides all curricula and programmes across the early childhood education sector. *The Early Childhood Education Curriculum Framework* is made up of the English and te reo Māori versions of the Principles and Strands from the early childhood curriculum *Te Whāriki: He Whāriki Mātauranga mō ngā Mokopuna o Aotearoa*, as well as an interpretation of the Strands to be used in ngā kōhanga reo affiliated with Te Kōhanga Reo National Trust.

PURSUANT TO REGULATION 41 OF THE EDUCATION (EARLY CHILDHOOD SERVICES) REGULATIONS 2008, THE MINISTER OF EDUCATION PRESCRIBES THE FOLLOWING CRITERIA.

1 Title and commencement

These criteria may be cited as the Licensing Criteria for Hospital-based Education & Care Services 2008.

These criteria came into force on 1 December 2008. Since then, there have been 8 sets of amendments. These took place on 28 August 2009, 21 July 2011, 21 May 2015, 26 February 2016, 27 May 2016, 31 August 2021, 1 January 2022 and 19 September 2022.

2 Application

These criteria apply to all Hospital-based Education and Care services licensed under the Education (Early Childhood Services) Regulations 2008.

3 Explanatory information

In these criteria:

- (a) a copy of the minimum standard in each regulation is set out, followed by the criteria against which compliance will be assessed; and
- (b) any specific documentation requirements to demonstrate compliance with a criterion are set out below the relevant criterion.

4 Interpretation

For the purpose of these criteria, unless the context indicates otherwise:

- (a) **adults providing education and care** means hospital play specialists kaiako, teachers, supervisors, parent helpers, kaiawhina, fa'iaoga, or other adults who have a designated role of providing education and care to children at a service and are included in required adult:child ratios;
- (b) **assessment** means the process of noticing children's learning, recognising its significance, and responding in ways that foster further learning. It includes documenting some, but not necessarily all, of what and how children are learning in order to inform teaching, and make learning visible;
- (c) **culture** means the understandings, patterns of behaviour, practices, and values shared by a group of people;
- (d) **ECE** means early childhood education;
- (e) **excursion** means –
 - i. being outside the hospital whilst receiving education and care from the service; but
 - ii. does not include an excursion for the purposes of emergency evacuations, drills or the receipt of urgent medical attention;
- (f) **parent** means –
 - i. the person (or people) responsible for having the role of providing day to day care for the child; and
 - ii. may include a biological or adoptive parent, step-parent, partner of a parent of a child, legal guardian or member of the child's family, whānau or other culturally recognised family group;

Title and commencement

- (g) **philosophy** means a statement that –
 - i. outlines the fundamental beliefs, values and ideals that are important to the people involved in the service – management, adults providing education and care, parents, families/whānau, and perhaps the wider community;
 - ii. identifies what is special about the service; and
 - iii. is intended to be the basis for decisions about the way the service is managed and about its direction in the future;
- (h) **policy** means a statement intended to influence and determine decisions, actions, and other matters;
- (i) **premises** means the parts of the hospital where children participating in the service receive early childhood education and care;
- (j) **procedure** means a particular and established way of doing something;
- (k) **process** means a goal-directed, interrelated series of actions, events, procedures, or steps;
- (l) **records** means information or data on a particular subject collected and preserved;
- (m) **regulation** means a regulation under the Education (Early Childhood Services) Regulations 2008;
- (n) **required adult:child ratio** means the adult:child ratio with which the service provider is required to comply under regulation 44(1)(b) or any direction by the Secretary under regulation 54(2);
- (o) **service** means a hospital-based education and care service;
- (p) **service curriculum** means all of the experiences, interactions, activities and events – both direct and indirect, planned and spontaneous – that happen at the service. Teaching practices including planning, assessment, and evaluation form part of the service curriculum; and
- (q) **service provider** means the body, agency, or person who or that operates the hospital-based education and care service.

5 Purpose of criteria

- (1) The criteria are to be used by the Secretary of Education to assess compliance with the minimum standards set out under regulations 43, and 45 to 47, of the Education (Early Childhood Services) Regulations 2008.
- (2) Regulations 43, and 45 to 47, impose minimum standards that each licensed service provider is required to comply with and are set out in these criteria so that readers can see how the regulations and criteria fit together.

PF2 A sufficient quantity and variety of furniture, equipment, and materials is provided that is appropriate for the learning and abilities of the children participating in the service.

PF3 All indoor and outdoor items and surfaces, furniture, equipment and materials are safe and suitable for their intended use.
