

C: The Treasury is not supporting the Christchurch Schools Rebuild initiative

- Why is the Treasury not supporting the Christchurch Schools Rebuild initiative when it relates to an existing ongoing Government commitment? The programme is now in its fifth year with 79 schools in the programme at various stages of development. To date we have completed 21 schools, 23 are in construction, 22 are in design and 13 are in master planning. 22 are yet to enter the programme and 14 are in pre engagement.
