Tēnā koe Ms Selupe

Thank you for your application, as the Sponsor of the Rise UP Academy, to change the class level to a Year 1-10 school and an increase the school's maximum roll to 200 students from the beginning of the 2015 school year.

After considering all of the information provided to me, I have decided to approve the request to change the class level to further include Years 7 and 8, but I have declined the request for this to also include Years 9 and 10. I have also agreed to increase the maximum roll to 200 in the Partnership School Agreement.

Although I have not approved your application to further extend to include Years 9 and 10, you are welcome to resubmit this in 2015 once you have met your targeted roll of 100 students in 2015 and further developed your education and site plans to accommodate Year 9 and 10 students.

Please find enclosed the variation to your Agreement.

I would like to take this opportunity to congratulate the Rise UP Trust on the positive readiness report it received from the Education Review Office in May 2014. Thank you for your support for the provision of high quality education in South Auckland through the Partnership Schools model.

If you have any queries about the school's maximum roll increase or change in class, you can contact [REDACTED] Contract Manager in the Ministry of Education's Wellington office, on [REDACTED]
