

# The Plan on a Page

Using the National Curriculum to introduce new digital technologies content into schools and kura

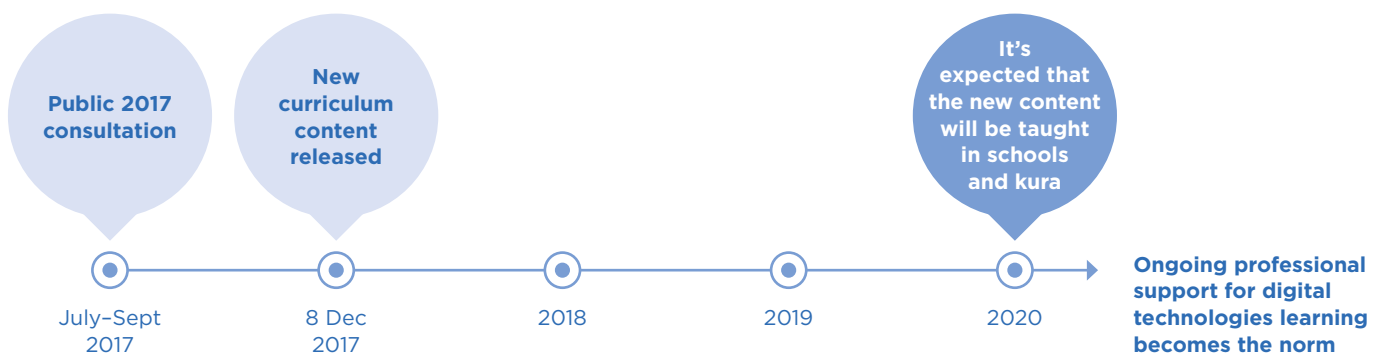

**Realising the vision**

**Being responsive**  
Our education system provides the future skills that students need

**Supporting our young people**  
so they can participate + create + thrive in a fast moving digital world

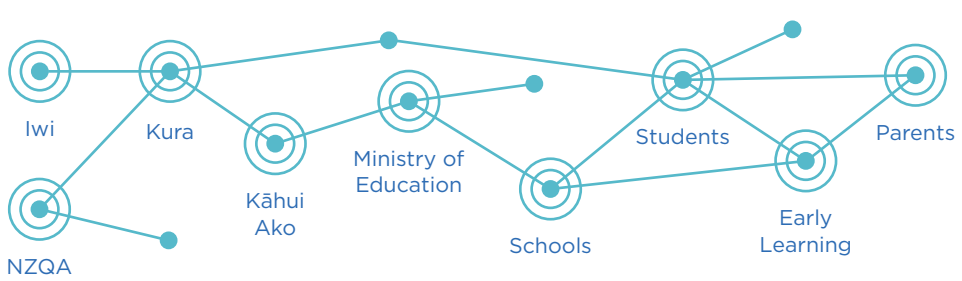

## Six supporting initiatives – \$38m package

Relates to: Education leaders, teachers & kaiako Students

## Different parts of the NZ Education System work together

- Business as usual**
- ✓ Over \$700m invested in schools and kura to support infrastructure:
    - Network for Learning
    - Fibre to the school gate
    - Upgraded school network
  - ✓ BYOD (Bring your own devices) optional – school/kura decision

## 30 year vision

**Building a Digital Nation**  
All government initiative

**Diverse and skilled NZ workforce**  
Internationally competitive in digital technologies innovation & knowledge

**Economy**  
We're enabling growth & success for NZ
