Subject: Information about Te Whare Whakaruruhau o Raumanuka residential service

Tēnā koe Alana,

As a valued stakeholder, I am writing to let you know about Te Whare Whakaruruhau o Raumanuka, a residential service that Te Rūnanganui o Te Ati Awa and Te Rūnanga o Toa Rangatira will establish within the Naenae community at 28A – 28E Treadwell Street and 24 and 26 Rata Street.

We are currently in the very early stage of our engagement and would apprecite if you would treat this information as sensitive for the time being. As part of the engagement will be engaging with residents in close proximity to the properties as well. Below is a list of the education providers we have identified that we want to engage with, and it would be great to get a steer as to how best carry out this engagement with them:

- Matiti Tokelau Akoga Kamata
- St Bernadette's School
- BestStart Naenae
- Rata Street School
- Naenae Playcentre
- All About Children Naenae
- Naenae Intermediate
- Naenae Primary School
- Kimi Ora
- Naenae Kindergarten
- Naenae College

ABOUT TE WHARE WHAKARURUHAU O RAUMANUKA

Te Whare Whakaruruhau o Raumanuka is a service for tane Māori who have been released from corrections facilities or are serving community-based sentences.

The aim of the service is to provide a safe environment that will tautoko, awhi and manaaki tane in their journey of reconnection with their whānau and our community.

Most, if not all tane will be from the Wellington region and all will whakapapa to Ngāti Toa Rangatira or Te Ati Awa.

Ngāti Toa Rangatira and Te Ati Awa hold long and wide-reaching aspirations for the health, wellbeing and prosperity for our whānau, delivered through a Te Ao Māori lens.

Together, our collective iwi will provide Te Whare Whakaruruhau o Raumunuka, an iwi-led service that provides transitional housing, 24/7 wrap around support and access to kaupapa Māori health, social, education, employment and cultural services for up to 18 months.

Without a service like this, many of the men who might live at the property would end up living somewhere else in the Naenae community or wider Wellington region without the wrap-around support that they need. Some of them may end up homeless or in unsuitable accommodation, which can lead to reoffending.

Released under the Official Information Act (1982)

Public safety is our top priority

- Residents will undergo a robust assessment and selection process
- A person will not be permitted to reside at the property if we think the risk to public safety could not be safely managed
- Our experienced kaimahi will provide 24-7 onsite wrap around support for residents, with at least two staff members at all times
- We will install outdoor CCTV cameras to monitor activities at the properties
- Men with convictions for sexually offending against adults and children will not be permitted to live at the properties
- Residents will agree to the tikanga and kawa while living at the property, including a ban on alcohol and drugs and requiring approval for any manuhiri
- Residents will be required to demonstrate that they are making efforts to distance themselves from any gang connections and will not be permitted to wear or display gang regalia on the property
- Residents will be subject to the conditions of their sentence or order.

Understanding the needs of our wider community

As mana whenua of the Wellington region and part of the Naenae community, we are committed to delivering this community-based and iwi-led service.

We have carried out our due dilligence and we are confident that the support that we are able to provide will be of benefit to the entire community.

To further strengthen our mahi, ensure the success of the kaupapa and maintain the safety of our community, we are committed to understanding their needs, aspirations, concerns and challenges.

We have already held discussions with elected local officials and local councils, marae and some community groups who are supportive of our kaupapa.

We will soon carry out kanohi ki te kanohi (face to face) engagement with our neighbours, to give them the opportinity to outline any concerns that they might have. We will also invite them to provide input and help develop the tikanga and kawa of our kaupapa.

As a valued and influential stakeholder in the Naenae community, we seek your support in ensuring the success of Te Whare Whakaruruhau o Raumanuka.

Please feel free to contact me if you wish to discuss this further, or for further information visit www.raumanuka.co.nz

Depends on the situation. Sometimes its one, sometimes its each school. We often take a steer from the schools and or our internal knowledge. I did them as I was acting as Ella.

Thanks Kayne – yes I am not sure either and will ask him tomorrow.
Okay – I think I remember you and Ella doing this in Upper Hutt many years ago, or was that someone being released.

Do you do one meeting or several?

Hi Alana

Not sure what the residential service will be (i.e. which crime type the offenders committed) but we have a MOU in place with Corrections regarding the placement of child sex offenders. Under that agreement we meet with them and discuss the best way to engage with schools and ECE and which schools and ECE they should talk to. We'd not have them cold call themselves.

If you find some more info out we can go from there. Usually this would be led by the ed manager.

Kia ora

Just wanting to flag this with you both and to make sure I am on the right page with this one. It's a new residential facility for tane Māori who have been released or are serving community based sentences. Need to find out a bit more information about types of offences from Hayden.

I'll check the list to make sure that is all the schools and ece but in terms of communication – I think I'll advise that Corrections go directly to the services/schools (once I've checked the list)

Do I need to do anything else to notify anyone?
Ngā mihi

Kia Ora Alana,

Hope all is going well in your bubble!!

As you had probably guessed, the engagement for the Naenae transitional housing service is on hold at present. We do not have a set date when this will commence as it is fluid depending on alert level changes. I will keep you updated as to how things are progressing our end and any movement in terms of recommencing engagement.

If you have any questions, please let me know.

Subject: Naenae transitional housing service engagement

Kia Ora Alana,

Just a quick email to let you know that we are commencing the engagement for the transitional housing service in Naenae on Monday 4th October. It will initially be a letter drop to residents in the surrounding properties with an invitation for a meet face to face if they would like to.

I am still wanting to engage with the schools in the area and last time we talked you were going to let me know the best way of engaging with the nearby schools, listed below:

- Matiti Tokelau Akoga Kamata
- St Bernadette's School
- BestStart Naenae
- Rata Street School
- Naenae Playcentre
- All About Children Naenae
- Naenae Intermediate
- Naenae Primary School
- Kimi Ora
- Naenae Kindergarten
- Naenae College

Happy to catch up in person again this week if easier to discuss.

Kind Regards,
