Dear Bishop Lowe

I am pleased to advise that I have approved the establishment and integration of Suzanne Aubert Catholic School in Papamoa East into the State education system. The effective date of integration is 1 March 2020, which will enable the school to open for instruction at the beginning of Term 1, 2021.

As agreed during the negotiation process, the school will open with a maximum roll of 100 students in 2021, increasing to 250 students in 2024.

As part of the next phase of integrating the school, you or your representatives need to apply to the Ministry of Education to set the attendance dues that can be charged.

The establishment and integration of this school is the culmination of considerable planning between you as the proprietor and the Ministry, which is reflected in the partnership created through signing the deed of integration.

The Ministry of Education's Bay of Plenty-Wairariki office will be in contact with you shortly to progress the establishment process.

I look forward to hearing of the progress of Suzanne Aubert Catholic School, and I wish you well as you prepare the school for opening in 2021.

Yours sincerely
