

28 February 2020

Thank you for your email of 31 January 2020 to the Ministry of Education requesting the following information:

- *I'd like to request a list of all state and integrated decile 1-7 schools that have opted to continue collecting school donations for the 2020 School Year.*
- *I'd like the school name and school ID (as listed on Education Counts).*

Your request has been considered under the Official Information Act 1982 (the Act).

I am providing you with a list of schools that have not opted in to the school donations scheme as Appendix One. This data is accurate as at 20 November 2019. The published information will be updated after 6 March 2020 to account for any schools that are now eligible to opt into the scheme as a result of a decile review.

Although school donations are voluntary many families can feel under pressure to pay them and this can place pressure on household budgets. As part of Budget 2019, decile 1-7 state and state-integrated schools were provided the opportunity to opt in to the donations scheme.

Schools that opt into the donations scheme will receive \$150 per student if they agree not to ask parents and whānau for donations, with the exception of overnight camps. Boards can however still require payment for items and services that are extra-curricular (for example, school sports teams). The scheme is designed to give schools revenue certainty and to relieve financial pressures on families.

For further information on school donations, please visit our website at:

Please note, the Ministry now proactively publishes responses under the Act on our website. As such, we may publish this response on our website after five working days. Your name and contact details will be removed.

Thank you again for your email. You have the right to ask an Ombudsman to review this decision. You can do this by writing to info@ombudsman.parliament.nz or Office of the Ombudsman, PO Box 10152, Wellington 6143.

Yours sincerely
